

Ohio's legislature will make many critical decisions during the next several years that will greatly impact Ohio's one million children ages birth through six, their families, our schools, and the future of our communities for decades to come. To make sure we are electing leaders who will make good decisions; for Ohio's future, groundWork and our partners invite you to join us for...

MAKING THE RIGHT CHOICE FOR OHIO'S YOUNGEST CHILDREN:

A LEGISLATIVE CANDIDATES FORUM

Submit your questions and hear what YOUR candidates for Ohio House and Senate have to say about early childhood education, health, and mental health issues, their priorities for children and families, and how they will face Ohio's severe budget challenges in the coming years.
