

## Prenatal-to-Age 5 State Policy Framework Process

Laying the Foundation for Ohio's Youngest Children

Seek input from key stakeholder groups to inventory Ohio's early childhood challenges and opportunities

Stakeholder groups include:

- Families with young children
- Early childhood professionals
- Community leaders & child advocates
- State & local policymakers
- Funders & business leaders
- Survey the full
  Groundwork Ohio
  network on early
  childhood priorities

Administer a survey to Groundwork Ohio's stakeholders to inform early childhood priority areas.

Evaluate policy opportunities identified by key stakeholder groups and the full Groundwork Ohio network

In consideration of the Ohio early childhood landscape, ie:

- Existing policies, data, trends & priorities, best practices, & potential champions
- Develop a comprehensive Prenatal-to-Age 5 State Policy Framework

Include Groundwork's budget priorities.

Amplify the
Prenatal-to-Age 5
State Policy
Framework

Amplification through:

- Strategic communications
- Coalition & partnership development
- Mobilization of key stakeholder groups
- Research & data
- Community programming & events
- Policymaker education & awareness
- Budget, legislative & agency advocacy

Implement framework, track policy wins, and continuously evaluate opportunities

Report-out on early childhood outcome progress.
